

2024 Lake Chelan Men's Golf Association Member Signup

Bob Navin, President
Patrick Carboneau, Vice President

Dear Golfers:

All 2023 members will be deactivated on January 1st, 2023. We intend to start activating new/renewal members that have paid their 2024 dues early January 2024. We should have it accomplished within a few days of the new year.

Application may be made with a Credit/Debit Card on our website (www.chelangolfclub.com), by mail, or at the pro shop. For a quicker turnaround online signup/payment is recommended. Payments will be processed and GHINs updated soon after received in 2024. **Be sure to use this 2024 Application Form or the online payment/form!**

Since the majority of our correspondence is via email, please make sure we have your current email, phone, and mailing address. Providing your GHIN from another course is also very important.

We look forward to seeing you on the course in 2024!

Lake Chelan Men's Golf Association
