

2022 Lake Chelan Men's Golf Association

John Hancock, President
Ray Wilson, Vice President
Matt Froman, Secretary / Treasurer

Dear Golfers:

All 2020 members will be deactivated on January 1st, 2021. We intend to start activating new/renewal members that have paid their 2021 dues on January 1st. We should have it accomplished within a couple of days.

Application may be made with Credit Card on our website (www.chelangelclub.com), by Mail or at the Pro Shop. Payments will be processed when received and your GHIN will be activated in January 2022. **Be sure to use the 2022 Application Form.**

Since the majority of our correspondence is via email, please make sure we have your current email, phone, and mailing address. Providing your GHIN from another course is also very important.

We look forward to seeing you on the course in 2022.
